

Module Outline

The Great Turning Un-Conference – Circle Talks

Circles can design their own curriculum by choosing talks from speakers at the 2009 Great Turning Un-Conference. Actions recommended by participants at The Great Turning are included in our 2009 Action Guide and referenced in this outline.

Date	Facilitator	Recorder	Snacks	Readings	Actions
				To be read PRIOR to each week's circle	Feel free to choose any action(s) from the Action Directory you are drawn to. They don't need to correlate to the readings. Use them to explore what you are interested in, or know little about. You may choose more than one action if you like. Rewrite the action to be specific for you, as needed. Write in a new action if it is not already there. Act big, act small, but act!
	Convenor/ Mentor			Foundation Circle. Receive your course materials, sign up for facilitation if you choose to rotate leading the circle.	Action: Read through the BTC Action Guide and check off the actions you are Already Doing. See your reflection in this review.
